**Weiber Fund**

(93305)

**Purpose:** Scholarships and grants for student in their third or fourth year of study on the mechanical engineering programme at the Lund University Faculty of Engineering, preferably for study visits.

**Amount:** SEK 30 000

**Application**

Applications for scholarships from the foundation are to be submitted through the Lund University application system for scholarships and grants, which can be located via:

http://www.lunduniversity.lu.se/current-students/financial-matters/scholarships-for-current-students/scholarships-from-swedish-foundations

The application, along with a Ladok transcript and all other relevant documentation, must be received through the application system **no later than 14 April 2020**. Applications submitted in a way that does not comply with the instructions above will not be processed.

**Disbursement**

Scholarships awarded to cover the costs of the applicant’s activities at the University will be paid directly to the applicant’s department. In such cases, the costs stated in the application are to exclude VAT. The department will deduct the amount required to cover its overhead costs, in accordance with the University’s regulations that state that externally funded research is to carry its own costs.

Scholarships awarded for other purposes will be paid to a personal bank account or equivalent. In such cases, the costs stated in the application are to include VAT.

**Ex officio**
